

SUPPORTING YOUR NURSING JOURNEY: **NADONA/PharMerica Scholarship**

Mission Health is proud to support opportunities that empower our nursing teams to grow and thrive. The NADONA/LTC Nurse Scholarship, sponsored by PharMerica, provides financial support for students pursuing nursing degrees with a focus on long-term care or geriatrics.

Each year, selected recipients receive scholarship funds paid directly to their college or university to help ease the cost of nursing education. We strongly encourage eligible Mission Health team members to apply and take advantage of this program that aligns with our values—and our commitment to developing nurse leaders in senior care.
